## GARDEN PROJECT

### CREATE A WINTER

## *Pine Cone Bird Feeder*

### What You Will Need

Pine Cones	Suet or Lard
Bird seed	Mixing Bowl
Raisins	Scissors
Peanut Butter	String
Grated Cheese	

### INSTRUCTIONS

Baking your pine cones on a low temperature for about a half an hour and allow it to cool.

Warm up lard to room temperature but do not melt it.

Cut it up into small pieces into your mixing bowl.

Add your raisins, seeds, peanut butter and grated cheese to the bowl. Mix it all together with your finger until the fat begins to hold it together.

Tie a string around your pine cone and fill it with your mix.

Put it in the refrigerator to set for about an hour.
